

A black and white portrait of a man's face, which is partially hidden behind a grid pattern. The grid consists of horizontal and vertical lines forming a series of boxes. Overlaid on these boxes are various text elements and symbols. In the upper left, 'MARS' is written in large letters. Below it, 'FEVRIER' and 'AVRIL' are also prominent. In the center, 'JUIN' and 'JUILLET' are visible. To the right, 'SEPTEMBRE', 'OCTOBRE', and 'NOVEMBRE' are displayed. At the bottom, there are three large, solid black shapes containing white symbols: a plus sign (+), a telephone receiver (C), and a minus sign (-). The background is a soft-focus black and white photo of a man's face.
